

# Penrose Property Community Feedback

---

City of St. Louis Treasurer's  
Office

# Community Vision Session | Fall 2023

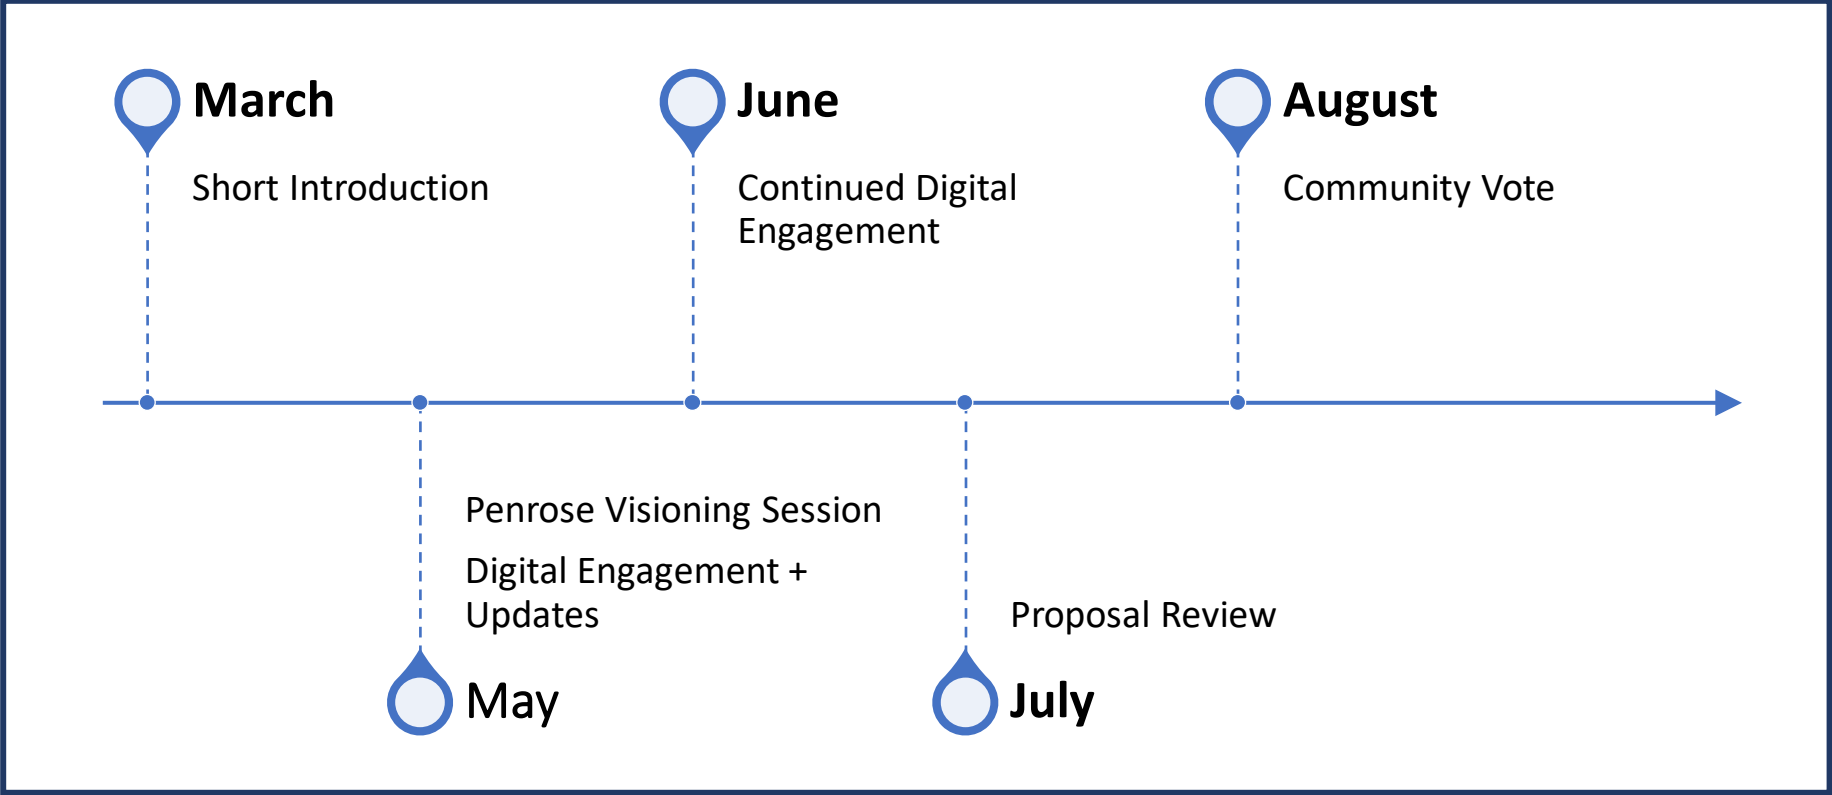

Eight residents provided feedback in total.

Community Priorities:

1. Youth-serving purposes
2. Trades + other workforce initiatives
3. Small business incubator
4. Non-profit hub and meeting space

The community was not overwhelmingly interested in more garden or green space initiatives because of rodent problems.
